Meet the Teacher Wednesday 16 September 2026

Dear Parents and Carers,

We are delighted to invite you to our **Meet the Teacher** afternoon on **Wednesday 16 September 2026**.

This is an opportunity to meet your child's teaching team, hear about the expectations and routines for the year ahead, and find out how you can support your child's learning at home.

To make the meeting as accessible as possible for families, we will run **two identical sessions**:

Session 1: 3:40pm – 4:10pm

Session 2: 4:15pm – 4:45pm

You only need to attend **one session**.

The meeting will take place in **one of the classrooms within your child's year group**. Staff will be available to direct you to the appropriate classroom on arrival.

During the session, teachers will share information about:

- classroom routines and expectations;
- the curriculum and learning for the year;
- home learning and reading expectations;
- attendance and punctuality;
- how we will communicate with families; and
- ways you can support your child throughout the year.

Please note that **Meet the Teacher is a general information session and not an individual parents' consultation**. If you have a specific matter relating to your child that requires a longer or confidential discussion, please arrange a separate appointment with the class teacher.

We hope that as many parents and carers as possible will be able to join us. Strong partnerships between home and school make a real difference to children's learning, wellbeing and success.

We look forward to welcoming you.

Dr Esoe
