Reminder – UK Parliament Week Art Competition 2026

Following the success of our inaugural art competition last year, I am excited to be hosting another competition in 2026 open to all young people across the constituency and I would like to invite your pupils to take part.

Last year, we had a range of brilliant entries showcasing the incredible creativity and diversity within our community. I displayed the winning artwork on the walls of my office, and we were also fortunate enough to be able to host an exhibition for all entrants to celebrate their contributions.

You can see some exhibition pictures and some of last year's entries here.

This year, we'd like to invite students to submit entries under the theme **'Past, Present and Future',** considering how Lewisham West and East Dulwich has changed in recent years or imagining our constituency in the future.

Please submit entries by the **16th November 2026** to ellie.reeves.mp@parliament.uk with the subject line *'UK Parliament Week Art Competition entry 2026'*.

Remember to include a **full name, address including postcode, school, and contact details**.

I will choose 1st, 2nd, and 3rd prizes for the winning entries to again be displayed in my office.

Winners will be announced during **UK Parliament Week, 23rd-29th November 2026**.

UK Parliament Week is an annual campaign that aims to inspire young people to get involved in democracy and learn about Parliament. If you'd like to learn more about how your school and pupils can get involved, please visit their website here: About | UK Parliament Week

Best of luck and I look forward to seeing your submissions!
