

Adamsrill Primary School

Headteacher: Dr Increase Esoe

11th September 2026

Dear Nursery and Reception Parents and Carers,

Meet the Teacher Meetings – Wednesday 16th September

A very warm welcome to you and your child as you begin your journey with us at Adamsrill Primary School. We are delighted to welcome our new Nursery and Reception families into the Adamsrill community and hope that you and your child are beginning to feel at home with us.

We are writing to clarify that the **Meet the Teacher meetings taking place on Wednesday 16th September are for parents and carers of children in Years 1–6 only**. Nursery and Reception parents do not need to attend these sessions.

As part of your child's transition into Nursery or Reception, you have already had the opportunity to meet with staff, including the meetings held at the end of last term and, more recently, the home visits undertaken by our Early Years team. These provided an opportunity for you and the staff to share important information, ask questions and begin building the positive relationship that will support your child throughout the year.

We recognise that starting Nursery or Reception is a significant milestone for children and their families. Our priority during these first few weeks is to help your child settle happily, develop confidence, establish new friendships and become familiar with their new routines and environment.

There will, of course, be many opportunities throughout the year for you to meet with staff, find out more about your child's learning and development, and become involved in school life. We very much value the partnership between home and school and look forward to working closely with you.

Thank you for entrusting your child to us. We are delighted to have you as part of the Adamsrill Family and look forward to a happy and successful year together.

Warmest regards,

Dr Esoe
