St. Olave's Grammar School

Information for Pupil Premium / Targeted FSM children in Year 5

- St. Olave's is a grammar school for boys, taking girls into our sixth form and we are based in Orpington. Entry to the school is via a selective entrance test taken during a child's year 6. This is a two stage process whereby the top 450 applicants from our Stage 1 Test (SET) are invited to proceed to our Stage 2 Test.

- Each year we offer up to 10 places for year 7 entry to applicants in receipt of Pupil Premium and who have proceeded to (and sat) our Stage 2 Test.

- If your son is in receipt of Pupil Premium (or has been at any point in the 6 years prior to our application deadline date) and he proceeds to the Stage 2 Test then he will be in a very good position to gain a Year 7 place at St. Olave's.

- Applications for Year 7 Entry 2028 will open on Monday 7 June 2027 and close on Monday 28 June 2027 at Midday with the SET taking place on Friday 17 September 2027. Documentary proof of pupil premium status must be uploaded at time of application.

- In preparation for the entrance test, we would recommend visiting the school website via this link: Outreach Work where English and Maths resources are available. The password to access some of the English resources is Sunshine1571* In addition, further free resources can be found via the following link too: Pupil Premium applicants

- These resources will be useful for any girls in receipt of pupil premium who may be preparing for other grammar school entrance tests too.
