

Adamsrill Primary School

Headteacher: Dr Increase Esoe

Monday 7th September 2026

Dear Parents and Carers,

Year 3 Visit to the Horniman Museum – Thursday 15 October 2026

As part of this term's History curriculum, Year 3 pupils will be visiting the Horniman Museum on Thursday 15 October 2026 to support their learning about the Stone Age.

During the visit, the children will take part in a Stone Age workshop where they will have the exciting opportunity to examine a range of artefacts from the period. They will use what they have learned in class to describe the artefacts, consider what they tell us about life in the Stone Age and develop their understanding of why historical evidence is important.

Parental contribution for the visit is **£3.40 per child**, payable via ParentPay. Your online payment will also confirm your consent for your child to take part in the visit. Please log in to ParentPay to make payment and give consent. We will leave school at approximately **10:30am** and travel to and from the museum by bus. We expect to return to school by **3:00pm**, in time for normal collection arrangements.

Packed lunches

Children will need a packed lunch for the day. Please do not include nuts, fizzy drinks, glass bottles, cans or sweets. If you would like the school to provide your child with a packed lunch, please email admin@adamsrill.lewisham.sch.uk by Friday 2 October 2026.

Medication

If your child has a medical condition that may require medication during the visit, such as asthma or an allergy, please ensure that the school has their current, in-date medication before the day of the trip. This will enable staff to take the necessary medication with them.

Parent volunteers

We would be very grateful for some parent support and are looking for two parent volunteers from each Year 3 class to accompany us. If you are available and would like to help, please contact the school office and volunteers will be selected on a first come first chosen basis.

We are really looking forward to this visit. It promises to be an enjoyable and valuable opportunity to bring the children's Stone Age learning to life and enrich the work they have been doing in school.

Many thanks for your continued support.
