

Adamsrill Primary School

Headteacher: Dr Increase Esoe

11th September 2026

Dear Parent/Carer,

Year 5/6 Trip to the National Maritime Museum - KS2 Discovery Day

I am writing to let you know about an exciting educational visit we have arranged for our Year 5 and 6 pupils to the National Maritime Museum in Greenwich. The children will take part in a KS2 Discovery Day, exploring space and astronomy through a programme of interactive sessions.

Details of the visit:

Date: Monday 28th September 2026

Venue: National Maritime Museum, Admissions Entrance, Romney Road, Greenwich

Departure time: 9:00am

Return: The children will return to school in time for the normal end of the school day

During the day, the children will take part in a science theatre show "Unboxing the Universe", a planetarium show "Planetary Adventure", and a self-guided visit to the "Astronomers Take Over" gallery. The day promises to be both fun and educational, bringing the curriculum to life.

What your child will need:

Your child may bring a healthy homemade packed lunch and water. Please ensure that packed lunches do not contain: Nuts or nut products, including peanut butter, nut-based spreads or snack bars containing nuts, glass bottles or glass containers, fizzy or energy drinks, sweets or confectionery or foods that require heating or refrigeration

Alternatively, the school can provide your child with a school packed lunch. If you would like your child to receive one, please inform the school office (admin@adamsrill.lewisham.sch.uk) by Thursday 17 September so that the necessary arrangements can be made. If your child has developed any food allergies or has specific dietary requirements, please ensure that the school has been informed. If your child needs medication e.g. for asthma, please do advise your child's teacher.

School uniform should be worn, along with a suitable coat as we may be walking outdoors.

Voluntary contribution:

To help cover the cost of this visit, we are asking for a voluntary contribution of £6 per child. We appreciate anything you are able to give. Payment can be made via the school's online payment system and this also serves as your consent for your child to go on this trip.

Parent volunteers:

We are always grateful for adult helpers on our school trips. If you would like to volunteer to accompany the children on the day, please email the school office.

If your child has any medical needs or requires medication during the day, please ensure the school office has up-to-date information. We will have staff on hand throughout the visit, and our adult-to-pupil ratios are in line with school policy. If you have any questions about the trip, please do not hesitate to contact the school office.

Yours faithfully,

Mrs Khan
