Adamsrill Primary School
Headteacher: Dr Increase Esoe

6th March 2026

Dear Parents and Carers,

Re: Parent Governor Elections

We are writing to inform you that nominations are now open for the role of Parent Governor on our school's governing board. Parent Governors play an important and valued role in shaping the strategic direction of the school, ensuring high standards of education, and representing the wider parent community.

We warmly encourage parents to consider applying for this rewarding position. You do not need to have specialist knowledge or experience, just an interest in education, a willingness to learn, and a commitment to supporting the school's continued improvement. Training and support will be provided for anyone elected to the role.

Parents may also nominate another parent if they feel that person would be a strong representative. Before submitting a nomination on someone else's behalf, please ensure you have discussed this with them and obtained their consent.

The **deadline for nominations is Monday 16th March at 12pm.** Application forms and further information can be obtained from the school office or by contacting us via email.

We hope that many of you will consider putting yourselves forward. Your involvement can make a real difference to the school community.

Thank you for your continued support. Yours sincerely,

Dr Esoe
