Year 2 – Walk Around the Local Area

Dear Parents and Carers,

As part of this term's Geography curriculum, the Year 2 pupils will be going on a walk around the local area on **Wednesday 21st May 2025**. This will support their learning as they create their own maps in our topic *Our Local Area*.

During the walk, the children will be observing, sketching, and identifying key landmarks in the area. They will then use what they have learned to draw a map as part of their Geography work.

There is no cost for this visit. Please log on to ParentPay to provide consent for your child to attend. Your online response will serve as your permission for your child to take part in this educational visit.

We will leave school at **9:30 am** and return by **10:30 am**, travelling on foot.

Your child **will not** need a packed lunch, as we will be visiting the park after lunchtime.

If your child has a medical condition that may affect them during the walk (e.g. asthma), please ensure the correct medication is in school so that their teacher can take it with them.

We look forward to an informative and enjoyable trip. It will be a valuable opportunity to enhance the children's learning through real-life experience.

Many thanks,
The Year 2 Team
