Adamsrill Primary School
Headteacher: Dr Increase Esoe

19th June 2026

Dear Parents and Carers,

As part of our upcoming **Design and Technology (DT)** unit, the children will be learning how to prepare and make a variety of dips. This will involve handling and tasting different ingredients as part of their learning experience.

To ensure the safety and wellbeing of all pupils, we kindly ask that you review and update your child's allergy information with the school if necessary. It is essential that our records are accurate before we begin any food-based activities.

If there are any specific dietary requirements or concerns you would like to discuss, please do not hesitate to contact us.

Thank you for your continued support.

Kind regards,
The Year 3 Team
